REVIEW OF THE FIRE-CURED AND DARK AIR-CURED MARKETS -- 1975-76 SEASON

FIRE-CURED

Record high price levels

Volume heavier

Quality improved

The average price for the combined 1975 crop was \$103.26 per hundred pounds - up \$12.18 from 1974. Numerous grades brought prices of \$1.10 to \$1.14 per pound in the Kentucky and Tennessee types, while prices were only slightly lower in Virginia. Producers' sales totaled 37.1 million pounds compared with 31.5 million in 1974. Quality of offerings improved as larger percentages of fine, good and fair marketings were auctioned with less nondescript. More medium brown colored tobacco and less dark brown was sold.

Country sales in Types 22-23 increased over 1974 and amounted to 27 percent of producers' sales.

Government loan receipts decreased and totaled only 145,000 pounds compared to about one million pounds in 1974.

DARK AIR-CURED

Record high price levels

Volume larger One Sucker and Green River, smaller VA Sun-cured

Quality better One Sucker, lower Green River and VA Sun-cured

The combined average price of \$89.81 per hundred pounds for all Dark Air-cured (Types 35-37) represented a jump of \$12.35 over 1974. A fairly large number of grades averaged from \$1.00 to \$1.04 per pound.

Producers' sales of 14.7 million pounds compares with 12.3 million the year before. Over-all quality showed little change.

Government loan receipts were down - amounting to only 58,000 pounds. Receipts in 1974 totaled 451,000 pounds.

Table 15 - Footnotes

- 1/ Averages based on auction sales, including Association deliveries at advance prices.
- 2/ For key to standard grade marks, see brief of classifications on Pages 6 and 7.
- 3/ Commodity Credit Corporation loans made available to growers through cooperative associations as follows:
- Type 21: Dark Tobacco Sales Cooperative, Farmville, VA
 - Type 22: Eastern Dark-fired Tobacco Growers' Association, Springfield, TN
 - Type 23: Western Dark-fired Tobacco Growers' Association, Murray, KY
 - Type 35: Eastern Dark-fired Tobacco Growers' Association, Springfield, TN
 - Western Dark-fired Tobacco Growers' Association, Murray, KY
 - Type 36: Stemming District Tobacco Association, Henderson, KY
 - Type 37: Sun-cured Tobacco Marketing Cooperative, Inc., Richmond, VA
- 4/ Data on pounds show only the approximate quantity of tobacco contained in each grade and are not an accurate record of sales.

Table 16. Average prices per 100 pounds of tobacco by weeks on representative grades for the Virginia fire-cured markets and season averages. 1/
